## DISTINGUISHED EDUCATOR FUND

The Distinguished Educator Fund provides seed money for new or innovative professional development programs or opportunities. It was established as a means to honor educators for their professional milestones, but donations to the fund can be made at any time. Recognition is given to each educator in whose honor a donation is made to this fund. Perpetual recognition will be established for any educator in whose name \$1,000 is donated within a 12- month time period.
